

# **Finding Inspiration: Four Jewelry Design Trends with Components to Match**

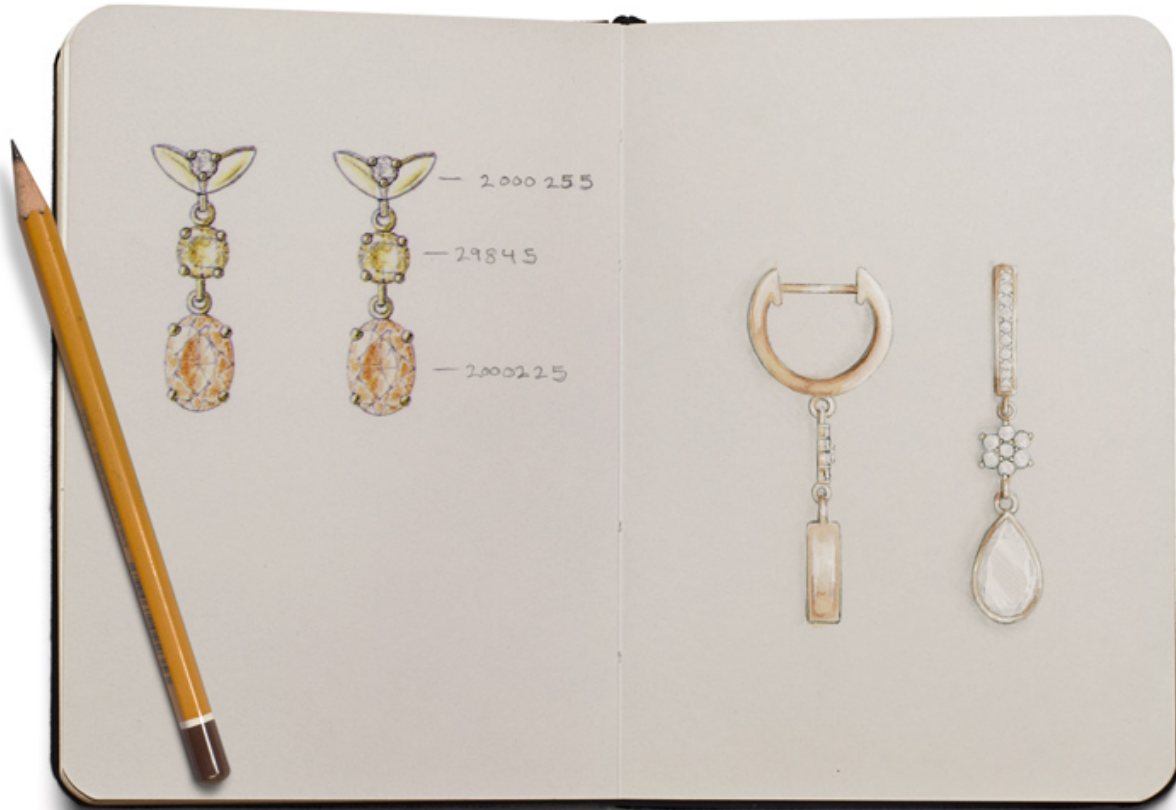

Our Product Design and Merchandising teams have joined forces to bring the trendiest, most innovative findings and components. They've pushed the limits of creative design to stay current with jewelry design trends and make your bench work easier.

---

**Below, we've highlighted four jewelry design trends with findings to complete each look.**

## **Floral Jewelry Motifs**

Fashionable floral designs have enduring, widespread appeal and are simply sublime to add to your spring and summer offerings. Create a landscape of nature designs with these floral findings.
