

Turn Your Extra Diamonds into Extra Cash

We previously [published a blog](#) on our Metal Clean Scrap Program. During this time of uncertainty, it is so important for any and all businesses to make the most out of their inventory. So, today I want to take a minute to talk about diamond clean scrap – and how our program can benefit you.

Stuller's [Diamond Clean Scrap Program](#) will allow you to profit from unwanted product!

Our program is as simple as you sending in your diamond scrap, and us paying you fair market value.

Why you should process your diamond

Hassle-Free Payment Options

We'll give you 100% payout in your choice of settlement options: Stuller account credit; electronic, check, or wire payment; or 50/50 (account credit/electronic or check). You can also choose to apply your settlement to your Stuller bill.

Reasonable Payout

We offer reasonable payout for your scrap, so you can be assured that you get the most of your inventory. And for only \$50 per submission, you are making money off of product you may deem unusable.

Speedy Process

Once we receive your diamond scrap, our diamond experts work fast to analyze your product and send you an offer. A Diamond Sales Specialist will contact you with the offer within five business days of receiving. The best part – you decide if you want to take the offer or not!

Tips for maximizing your payout

- We suggest a minimum of 10 total carats of clean, unmounted diamond melee scrap
- Melee sizes under 1/5 carat are best for scrap (we are also happy to make an offer on any size or shape of diamond if you contact us)
- Include a fully completed packing slip with your shipment
